New tools for any crew

Military-grade durability

Compliant with MIL-STD-810H to absorb shocks.¹ Includes a rugged case in box for extra protection.

Dual Hot-Swap batteries

Removable batteries keep you moving in the field without powering down your devices.²

Seamless payments

Accept payments from anywhere on one device without the need for additional hardware.³

Faster connections

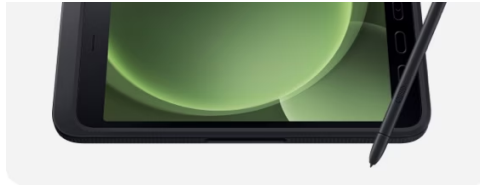

Work at the speed of business with reliable 5G and Wi-Fi 6E wireless data networks.^{4,5,6}

Included with Knox Suite

Put IT admins in control

Manage devices from an intuitive, cloud-based management console. Simplify deployment with a quick-start wizard.

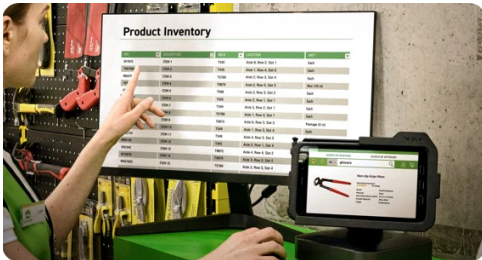

Defense-grade security

Designed to meet the stringent needs of governments and regulated industries with advanced configuration and data usage analytics.⁷

Effortless update scheduling

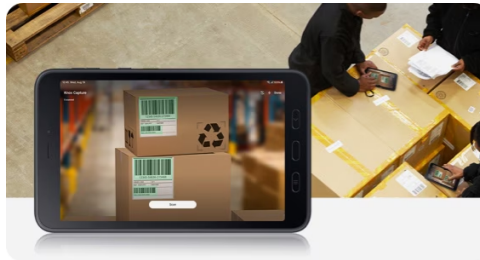

Schedule OS and firmware updates easily with a wide range of options like user groups, battery levels or off-peak operating hours.

KNOX ASSET INTELLIGENCE

Mobile device dashboard

Spot issues before they happen on a customizable dashboard with up-to-date data about battery life, app usage, connectivity and more.⁹

KNOX CAPTURE

Turn Tab into a scanner

Eliminate the need to carry a bulky scanner. With the Knox Capture app, you can scan barcodes, QR codes and more from a distance.¹⁰

KNOX AUTHENTICATION MANAGER

Speed up your sign-ins

Save time signing in to shared devices with a secure app that provides multiuser facial biometrics and sign-in automation.

Keeping corporate data secure

With Knox defense-grade protection built right in, we've got your data security covered.

Made for demanding

Rugged. Ready. Rated IP68.

Conquer the elements with IP68-rated dust, dirt, sand and water-resistant design.¹¹ Galaxy Active5 Pro is also backward compatible with existing accessories, adding value to your bottom line.

NO BATTERY MODE

Replace it and go

Bypass the battery in No Battery Mode¹² with Tab connected to a dedicated power source — great for vehicles or kiosks.

DURABILITY

Safe to sanitize

Galaxy Tab Active5 Pro is rugged but cleans up nicely. After the toughest days, your tablet can be safely sanitized.

ENHANCED TOUCHSCREEN

Leave the gloves on

The gloves don't have to come off with a responsive touchscreen, so your team can stay safe and dry while they get more done.¹³

Price, Promotion, Processing: Pricing, delivery date and other errors may be withdrawn or revised and/or your order may be cancelled at any time, without prior notice, before we have both (a) shipped or provided access to your product or service, and (b) received your payment for the product or service. All sales on [Samsung.com](https://www.samsung.com) are subject to the full [Terms of Sale](#). Samsung is not responsible for any errors, omissions or misdirected or lost orders, or orders which may be delayed. Samsung reserves the right to modify pricing and modify or cancel promotions at any time, without prior notice.

^fFor a limited time, purchase an eligible Galaxy smartphone or tablet with Care+ for Business plan ("Qualifying Purchase") on [samsung.com/us/business](https://www.samsung.com/us/business) or the Samsung Shop App with a valid Samsung Business Account and receive 50% off the subscription of Care+ for Business ("Gift"). The Gift is non transferrable and limited to 1 per Qualifying Purchase. If you return or cancel your purchase the discount will be lost. 18+ & 50 US/DC/PR/USVI only. Void where prohibited or restricted by law. Samsung reserves the right to modify or cancel this offer or the terms and conditions associated any time, without prior notice.

^QEnterprise Edition devices are sold with one free year of the entire Knox Suite, following that first year, plans are sold based on MSRP or price end user paid, whichever is less. Total duration includes one year of standard limited warranty. Labor-only costs for mechanical and electrical breakdown are covered from date of purchase. Both parts and labor costs are covered after the manufacturer's warranty expires through the plan term.

¹These devices passed military specification (MIL-STD-810H) testing against a subset of 21 specific environmental conditions, including temperature, dust, shock / vibration and low pressure / high altitude. Real world usage varies from the specific environmental conditions used in MIL-STD-810H testing. Samsung does not guarantee device performance in all extreme conditions. Please see the in-box Quick Sales Guide.

²Extra replaceable battery and POGO charging dock sold separately. In the case of extra replaceable batteries, only Samsung certified products are compatible for use.

³mPOS functions as intended with NFC-enabled contactless credit cards only and compatible back-end processing systems.

⁴Compared to Tab Active4.

⁵5G Ultra Wideband available in select areas. 5G Nationwide available in 2700+ cities.

⁶Wi-Fi 6 availability may vary due to OS version, location, network conditions and other factors.

⁷For the full list of Knox certifications, please visit www.samsung.com/knox.

⁸Applies to Enterprise Edition devices launched in 2023 and after.

⁹Requires a Wi-Fi 6E router. Wi-Fi network availability may vary by network provider and user environment. Requires optimal connection.

¹⁰Requires Knox Capture app. Download from Google Play.

¹¹Consistent with IP68 rating, water resistant in up to 5 feet of water for up to 30 minutes. Rinse residue / dry after wet.

¹²No Battery Mode is an optional battery safety feature developed to enable Galaxy Tab Active5 Pro to operate without battery with fixed and continuous

^{1b}DeX can be activated via Samsung Galaxy Tab Active5 Pro without a cable only on supported monitors. Accessories and monitor sold separately.
